INNOVISION

(Idea and Innovation Competition for Enterprising Students)

Deccan Education Society (DES)'s Fergusson College (Autonomous) and Enzene Biosciences Pvt. Ltd. are co-hosting 'INNOVISION'; an intercollegiate competition with a focus on "Idea and Innovation" for enterprising undergraduate and postgraduate students from Science, Arts, Commerce Pharmacy and Management streams. This is the fourth year of this competition and considering the response, we have been receiving for the past three years, it has been decided that this year Innovision will be conducted at **National level** where UG and PG students from above mentioned streams all over India can participate.

Objectives of Innovision:

- To identify highly motivated young innovator students.
- To give students an opportunity to present their ideas in front of industry experts.
- To develop entrepreneurship through mentoring provided by the experts from academia as well as industry.
- To encourage UG and PG students to consider business as a career option.
- To support potential ideas and convert them into profitable business ventures by providing guidance for Intellectual Property Rights, Market Research, Technology Development, Finances and Advertising.

Registration:

- **Registration fees: Rs. 500/- per entry**
- **Scan the following QR code for payment:**

- **Enter the transaction id of the completed payment and attach the receipt in the google form, whose link is given on the next page.**

Timeline:

- Registration and last date of idea submission: **The last date has been extended to 15th June 2024.**
- Presentation of selected ideas and announcement of results: **Second week of July 2024 (final date will be announced after the last date of submission)**

Note:

- **Registered UG/PG students (Science, Arts, Commerce, Pharmacy and Management) from all colleges in India are eligible to submit ideas.**
- **Engineering, Medical and Law students are NOT ELIGIBLE.**
- Individuals or groups of up to five students can work together to develop the business idea and participate in the competition.
- The business idea needs to be realistic, that is, it should be a venture which can be run and managed by students.
- Business idea in the prescribed format (given below) should be uploaded after filling the Google form using the following link:
